Wiring Diagram

Operations

Power ON/OFF
Power ON: In power OFF mode, press and hold \( \text{on} \) for 2 seconds.
Power OFF: Press and hold \( \text{on} \) for 2 seconds.

Volume Adjust
Volume Up: Press \( \text{up} \) to adjust the volume.
Volume Up Rapidly: Press and hold \( \text{up} \) to adjust the volume.
Volume Down: Press \( \text{down} \) to adjust the volume.
Volume Down Rapidly: Press and hold \( \text{down} \) to adjust the volume.

Pairing and Connecting

Enter Pairing Mode
In standby mode, press and hold \( \text{on} \) key 2 seconds.

Pair
1. Enable Bluetooth function on your phone or other smart device and search Bluetooth accessories in range.
2. Choose GM BLUETOOTH when it shows up and connect.

Notes:
• If the pairing is not complete within 3 minutes, the BLUPOD will quit the pairing mode. You need to repeat the steps of pairing again.
• After the connection is successful, if you turn the BLUPOD off and turn it on again, it will be connected to the last connected device automatically.
Disconnect
Power OFF the BLUPOD or disconnect the Bluetooth function on your phone or other Bluetooth device.

Delete the paired device
Press and hold for 12 seconds until Bluetooth LED flashes 3 times with the prompt of clearing pair.

Calling by Gesture and Button

Answer A Call
By Button : Short press to answer an incoming call.
By Gesture : Wave hand left or right to answer an incoming call.

End A Call
By Button : After calling, short press to end the call, or end the call on the phone.
By Gesture : Wave hand left or right to end a call.

Reject A Call
If a call is received, short press twice to reject the call.

Last Number Redial
When connected, short press twice to redial the last number.

Voice Command Calls (Siri*/ S-Voice*)
Short press . This will access Siri*/S-Voice*.

Note:
• This function requires the support of the mobile device.

Operations (Continued)

Music Playing
After the BLUPOD is connected to your Bluetooth device, press on the BLUPOD to play, press it again to pause. Press or press to adjust the volume.

Notes:
• A music player app is required on your device to support this feature.
• Pair and connect your Bluetooth device with the BLUPOD before using this feature.
• If a call is received when you are listening to music, the music will pause automatically and replaced by the incoming-call-tone. Press to answer the incoming call. Once the call is finished, the music will continue.

Gesture
While playing music, wave left or right to select the desired track.

Notes:
• The distance between your hand and the BLUPOD should be less than 5 cm.

**Troubleshooting**

**Volume is not High Enough**
- Increase the volume of Bluetooth device or BLUPOD.
- Ensure that the Bluetooth device has been charged.
- Ensure that BLUPOD has been connected to power.

**Hearing Distortion**
- Lower the volume of BLUPOD or Bluetooth device slightly.
- Ensure that the Bluetooth device has been charged.
- Ensure that BLUPOD has been connected to power.

**Cannot Pair with Bluetooth Device**
- Make sure that your device is compatible with Bluetooth.
- Turn OFF your BLUPOD and Bluetooth device, then power ON and reconnect.

**Signal Loss or Distortion**
- Move BLUPOD closer to the Bluetooth device.
- Ensure it’s charged.
- Turn OFF your BLUPOD and Bluetooth device, then power ON and reconnect.
