Wiring Diagram

Charging for iPhone*

To charge the iPhone*, simply place it on the charging cradle of the i-Dock Player.

Push to open

Dock the phone

To open charging cradle, push the cradle base slightly.
Operations

Power ON/OFF
Power ON: In power OFF mode, press and hold ✕ for 2 seconds.
Power OFF: Press and hold ✕ for 2 seconds.

Volume Adjust
Volume Up: Press ⊙ to adjust the volume.
Volume Up Rapidly: Press and hold ⊙ to adjust the volume.
Volume Down: Press ⊘ to adjust the volume.
Volume Down Rapidly: Press and hold ⊘ to adjust the volume.

Operations (Continued)

Pairing and Connecting

Enter Pairing Mode
In standby mode, press and hold ✌️ key 2 seconds.

Pair
1. Enable Bluetooth function on your phone or other smart device and search Bluetooth accessories in range.
2. Choose GM BLUETOOTH DOCK when it shows up and connect.

Notes:
• If the pairing is not complete within 3 minutes, the i-Dock Player will quit the pairing mode. You need to repeat the steps of pairing again.
• After the connection is successful, if you turn the i-Dock Player off and turn it on again, it will be connected to the last connected device automatically.

Disconnect
Power OFF the i-Dock Player or disconnect the Bluetooth function on your phone or other Bluetooth device.

Delete the paired device
Press and hold ✌️ 12 seconds when you power ON the i-Dock Player.
Operations (Continued)

Calling by Gesture and Button

Answer A Call
By Button: Short press ① to answer an incoming call.
By Gesture: Wave hand left or right to answer an incoming call.

End A Call
By Button: After calling, short press ① to end the call, or end the call on
the phone.
By Gesture: Wave hand left or right to end a call.

Reject A Call
If a call is received, short press ① twice to reject the call.

Last Number Redial
When connected, short press ① twice to redial the last number.

Voice Command Calls (Siri*)
Short press ②. This will access Siri*.

Note:
• This function requires the support of the mobile device.

Operations (Continued)

Music Playing
After the i-Dock Player is connected to your Bluetooth device, press ① on
the i-Dock Player to play, press it again to pause. Press ③ or press ④ to
adjust the volume.

Notes:
• A music player app is required on your device to support this feature.
• Pair and connect your Bluetooth device with the i-Dock Player before
using this feature.
• If a call is received when you are listening to music, the music will pause
automatically and replaced by the incoming-call-tone. Press ⑦ to answer
the incoming call. Once the call is finished, the music will continue.

Gesture
While playing music, wave left or right to select the desired track.

Notes:
• The distance between your hand and the i-Dock Player should be less
than 5 cm.
